Dr. Amit Sehgal

Principal

Welcome to an exciting journey of learning and discovery at L.I.S Dehradun. Our goal is to inspire and guide each student to reach their fullest potential. Through a blend of academic rigor, extracurricular activities, and moral education, we aim to prepare our students to meet the challenges of the future with confidence and integrity. I look forward to witnessing the growth and achievements of each one of you. Let us make this a remarkable year filled with success and new milestones.

INTRODUCTION

L.I.S Dehradun was established in 2002 and is affiliated with the Central Board of Secondary Education (CBSE). Over the years, LIS has grown into a premier institution known for its commitment to academic excellence and holistic development. Our school offers a nurturing environment where students are encouraged to explore their potential, develop critical thinking skills, and cultivate strong moral values. With state-of-the-art facilities, dedicated faculty, and a diverse range of extracurricular activities, LIS aims to provide a well-rounded education that prepares students for the challenges of the future. We take pride in fostering a culture of innovation, leadership, and compassion, ensuring that our students emerge as **confident and responsible global citizens.**

Vision

At L.I.S Dehradun, our vision is to create an empowering environment where students excel academically, socially, and personally. We offer advanced infrastructure, including smart classrooms, cutting-edge labs, and world-class curricula emphasizing STEM, critical thinking, and innovation. Holistic development is fostered through programs like horse riding, swimming, fine arts, and free English-speaking and personality development classes.

CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

At L.I.S Dehradun, education goes beyond academics with a wide range of co-curricular and extracurricular programs fostering creativity, critical thinking, and life skills. Students explore their interests in sports such as cricket, football, swimming, and horse riding, which promote fitness, teamwork, and discipline. Performing arts like drama, dance, and music, along with visual arts and exhibitions, encourage self-expression and creativity.

Clubs for debate, public speaking, literature, science, and robotics sharpen communication, critical thinking, and technical skills. Leadership programs and community service instill responsibility and social awareness. These activities ensure students grow into confident, well-rounded individuals ready for future challenges.

We ensure affordability through minimized transport costs and scholarships while providing day-boarding, counseling, and psychometric testing for student well-being. Led by highly qualified faculty, supported by workshops, we emphasize individualized learning, global citizenship, environmental awareness, and strong community engagement. Our mission is to prepare students for leadership, responsibility, and global impact.

ABOUT SCHOOL

L.I.S Dehradun provides a curriculum aligned with India's national standards, serving students from Nursery to higher secondary. Covering subjects like English, Mathematics, Science, Social Studies, and languages, the program fosters holistic development, curiosity, and essential skills. With a focus on language, math, and science, the school prepares students for academic and personal success.

TECHNOLOGY &

DIGITAL LEARNING

L.I.S Dehradun seamlessly integrates technology into education, equipping students with vital digital skills and fostering innovation. From foundational computer operations and software use to advanced coding, programming, and web design with Scratch, Python, and other tools, students progressively build expertise. Smart classrooms with audio-visual aids, interactive lessons, and virtual experiments make learning engaging and dynamic.

State-of-the-art computer labs provide hands-on experience in digital design, robotics, and practical applications, while lessons on internet safety, cybersecurity, and ethical online behavior prepare students to navigate the digital world responsibly. Technology is woven into subjects like Math, Science, and Social Studies, enabling students to engage in collaborative projects and creative problem-solving.

By embracing technology as a cornerstone of education, L.I.S Dehradun ensures students are confident, adaptable, and well-prepared to excel in an ever-evolving, tech-driven global landscape.

BOARDING FACILITY: SAFE, SECURE,

AND NURTURING ENVIRONMENT

Our hostel complex is not just a place to stay; it's a community that fosters camaraderie, personal growth, and a sense of belonging.

CAMPUS LIFE

At L.I.S Dehradun, both day scholars and boarding students are provided with a vibrant, engaging, and supportive campus life designed to foster personal growth and academic success.

FOR DAY SCHOLARS:

For our day scholars, we offer a range of opportunities to enhance their school experience. Dedicated study hours and academic support programs are available to assist students in their studies, ensuring they receive the guidance they need to excel.

Students are encouraged to actively participate in extracurricular activities, sports, and clubs, contributing to their overall development. Our well-equipped cafeterias provide nutritious meals, while recreational areas offer a comfortable space for relaxation and socializing. Safe and reliable transportation services are provided to ensure a convenient commute to and from school, making campus life seamless and enjoyable.

FOR BOARDING STUDENTS

For our boarding students, we create a nurturing and supportive environment that ensures both academic and personal growth. The boarding facilities are comfortable, secure, and fully equipped, with separate accommodations for boys and girls. Trained residential staff are always available to ensure the safety and well-being of the students. Nutritious, balanced meals are served in spacious and hygienic dining halls, promoting healthy living. Recreational areas, indoor games, and common spaces offer opportunities for relaxation and social interaction. Additionally, professional counseling services are available to address both emotional and academic needs. A structured daily routine includes study hours, extracurricular activities, and recreational time, providing a balanced experience. Engaging weekend programs and outings are organized to ensure a fulfilling and enjoyable stay at the school.

L.I.S Dehradun is committed to creating a positive and enriching environment for all students. Whether day scholars or boarders, our focus is on fostering a sense of belonging, encouraging personal growth, and ensuring academic excellence.

PERSONALITY DEVELOPMENT CLASSES

At L.I.S Dehradun, we prioritize holistic development through Personality Development Classes, enhancing communication, interpersonal, and leadership skills. Students learn public speaking, teamwork, time management, and emotional intelligence, fostering confidence and social awareness. We also offer Financial Education, covering budgeting, savings, investments, and entrepreneurial skills, ensuring students are prepared for personal and professional success.

LIBRARY AT L.I.S DEHRADUN

Our library at L.I.S Dehradun is a dynamic hub of academic resources designed to inspire a love for reading, research, and lifelong learning. With a vast collection of diverse books, including fiction, non-fiction, reference materials, and educational resources, students have access to a wealth of knowledge to support their academic journey. The library also features periodicals, journals, and newspapers, keeping students informed about current affairs and developments.

In addition to traditional resources, we offer digital access to online databases, e-books, and research tools to enhance academic projects and research. Our reading programs, including book clubs, author visits, and literary events, encourage a strong reading culture among students, fostering creativity and literary appreciation.

For focused study and collaboration, the library provides quiet study spaces and group study rooms, allowing students to engage in individual or group learning activities. Whether conducting research, exploring personal interests, or participating in literary events, our library serves as a cornerstone of intellectual growth at Lucent International School.

Guidance Bureau

The Guidance Bureau at L.I.S Dehradun is dedicated to offering both academic and personal support to students. It provides career counseling, with individualized sessions that help students explore their interests, plan for future careers, and gain insights into various career paths, courses, and industries. The bureau also offers personal counseling through professional counselors who

assist students with emotional well-being, stress management, and conflict resolution, along with workshops on mindfulness and coping strategies. School guidance services support students with college applications, admissions, scholarship opportunities, and information about higher education institutions worldwide.

MEDICAL CARE FOR DAY SCHOLARS AND BOARDERS

At L.I.S Dehradun, the health and well-being of our students are of paramount importance. To ensure comprehensive care, we have well-equipped medical rooms staffed with trained medical professionals who are available to address any health concerns. Regular health check-ups are conducted to monitor students' overall well-being, allowing us to detect and prevent any potential health issues early on. First aid facilities are strategically placed across the campus, and our emergency response team is trained to act quickly and effectively in case of an emergency. We maintain detailed health records for each student, ensuring that we can address specific health concerns in coordination with parents and guardians. In addition to physical care, we provide professional counseling services to support students' emotional and mental health, helping those facing health-related challenges. Our commitment to health education is reflected in the regular programs and workshops on health, hygiene, and nutrition, promoting a healthy lifestyle among our students. Through these comprehensive medical facilities and services, we ensure that our students are well-cared for, creating a safe and supportive environment for both learning and personal development.

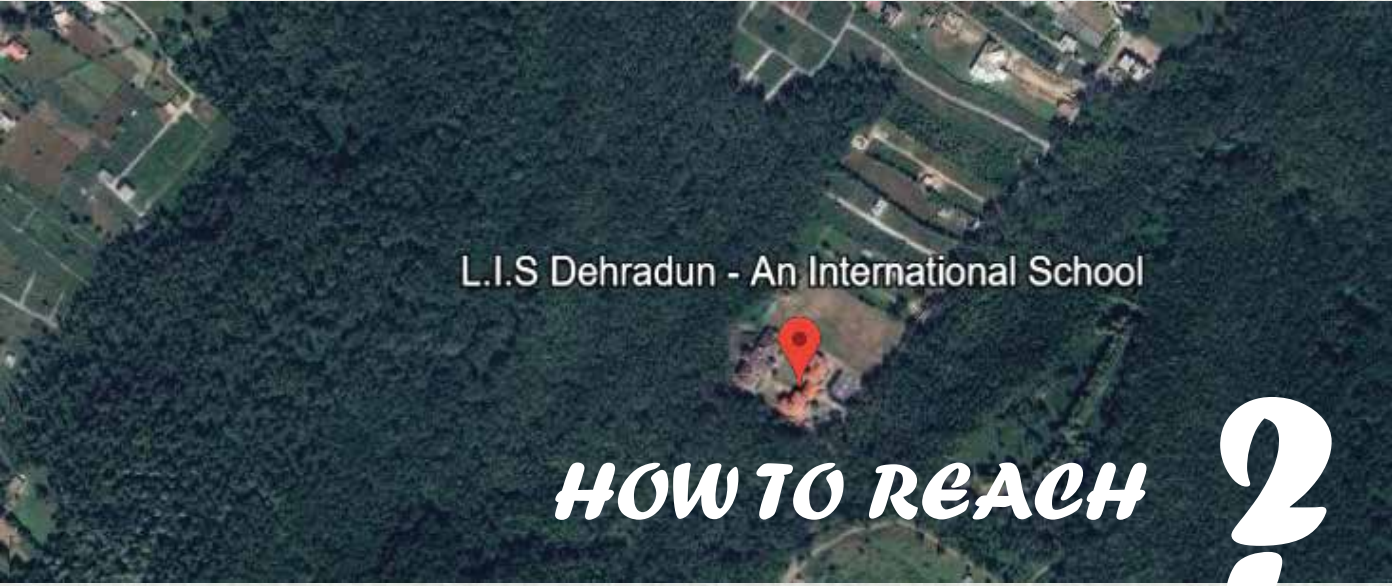

HOUSE SYSTEM AT

L.I.S DEHRADUN

At L.I.S Dehradun, we implement a House System to promote healthy competition, teamwork, and a strong sense of belonging among our students. The school is divided into four houses, each with its unique identity and color: Jal, Agni, Surya, and Hariyali. This system fosters a spirit of camaraderie and encourages students to participate in various inter-house competitions such as sports events, debates, quizzes, and cultural activities, where houses compete for points. These competitions not only drive academic and extracurricular engagement but also enhance collaboration among students.

The House System also provides valuable leadership opportunities. House Captains, Vice-Captains, and Prefects take on responsibilities, allowing students to develop their leadership skills while contributing to the management and organization of events and activities. Each house organizes and participates in cultural and sports events, and hosts house-specific celebrations and assemblies, helping to strengthen unity

within the house. Additionally, the houses engage in community service projects, encouraging students to contribute to social causes and environmental initiatives, fostering a sense of social responsibility. Overall, the House System at Lucent International School enriches the school experience by instilling a sense of identity, promoting teamwork, and fostering healthy competition. It is an integral part of our holistic approach to student development.
